Father so good and so true
You lead us to the lonely
To people who are poor or scared
And we want to love them like you do
Father so good and so true

Even those we don't understand

**Cos this is what it means
To love your world Lord,
To love your world Lord.
So this is what we'll do,
We'll love your world Lord,
We'll love your world Lord,
Just like you do.**
