

# Autumn/Winter 2017: Calendar for informing our daily prayer rhythm's lead intercessional focus

Special topical focus days and possible flag days to pick up on are both indicated. Where a day is blank, the central intercessional focus is set by the day's leader in response to external events, the news headlines or another stimulus from the rhythm's worship content, such as the characteristic of God, verse, Psalm or nation of the day.
